10-10-11

Hi Valley Parents and Players,

RE: OCT 22<sup>ND</sup> FVWP CLUB BOTTLE DRIVE FUNDRAISER FOR DECEMBER 2011 COMMERCE CUP TRIP

It's very exciting to see how many players are planning to go to the Commerce Water Polo Cup in California this coming December. To help alleviate some of the expenses at this crazy time of the year we've planned a bottle drive for all those players attending the tournament. All proceeds will be divided up among the players who come out and put in a hard day's work of collecting and sorting bottles. Please try to plan to be there from start to finish. Sometimes it can be helpful to take shifts with family members. The bottle drive will be held on Saturday, October 22nd in Walnut Grove. We will base ourselves at our home pool in Walnut Grove where we will set up canopies and tables at 9:00 am and run this fundraising event until 4pm.

What do we need?

- several pop-up canopies for the day
- 4 tables -for sorting bottles
- 2x4's and clamps (we put these on the edge of the tables to stop the bottles from rolling off)
- 10 big garbage cans to sort bottles. Please bring them to the sorting station. -
- lots of trucks and vans to pick up bottles
- enthusiastic people to drive, pick up and sort bottles.
- Snacks and water for the kids during the day.
- BBQ hotdogs for lunch or we can bring an assortment of sandwiches
- Gloves for sorting bottles - very important that each family brings their own gloves for this job can get messy. Please bring gloves for your kids as well.

Start collecting bottles from your families, friends and neighbourhood. This is helpful for the people at the sorting station have a job to do immediately while the trucks are out collecting and it gives the kids a start of success right out of the gate. I have provided a letter from our club president for FVWP athletes to use for this upcoming bottle drive. Please print off copies of this letter for your children to use when they canvass neighbourhoods or local organizations/businesses. If you have any questions, please feel free to send me email or give a call at 604 857-3269. Please email me by OCTOBER 16<sup>TH</sup> to confirm that your family is participating in this fundraiser.

Thank you,

Linda Utas
